Sr.	Firm	Amendments
1	M/s Flowtronix	<p>The firm had submitted grievances for the following items:</p> <ul style="list-style-type: none"><li>Sr. No. 178 – Cardioplegia Tubing Set (as per CPEIC Drawing),</li><li>Sr. No. 179 – Coronary Ostial Cannula (Malleable Body – All Sizes),</li><li>Sr. No. 180 – Coronary Ostial Cannula (With Malleable Long Shaft – for MICS &amp; Aortic Surgery) and</li><li>Sr. No. 194 – Sucker Nozzle (Adult)</li></ul> <p>These items were initially marked as <i>Not Responsive</i> during technical evaluation. The firm later submitted the required missing documents to the Grievance Redressal Committee (GRC). However, due to an oversight, these items were not re-evaluated at that time. The GRC has now reviewed the grievance afresh, reassessed the documents, and found all four items to be compliant. Accordingly, M/s Flowtronix is now declared <i>Responsive</i> for Sr. No. 178, 179, 180, and 194.</p>
