APPROVED BY

ZAMEEN VAULT

Welcome to Zameen Vault – the first of its kind mixed-use high-rise in NSIT Lahore, envisioned to become the city's most advanced business and residential address.

This tower, by Zameen Developments, is set to be an architectural icon that transforms the way we live, work, and succeed in an ever-evolving urban environment.

WHAT'S ON OFFER?

Zameen Vault redefines urban living with a thoughtfully curated inventory that blends business, leisure, and lifestyle. The project offers a complete ecosystem designed for modern investors, professionals, and residents who value connectivity and accessibility in one integrated address.

This isn't just a development—it is a vision to create a self-sustaining, thriving community where commerce, convenience, and lifestyle come together.

LIVE-WORK APARTMENTS

Zameen Vault's exclusive live-work apartments offer panoramic views, private terraces, and independent storerooms—blending home and office in one premium setting. With landscaped terraces, natural light, and direct access to world-class amenities, these residences redefine convenience and prestige, creating the perfect lifestyle for professionals seeking flexibility, comfort, and a future-ready address in Lahore's NSIT.

CORPORATE OFFICES

Designed as a prestigious business address, the corporate offices combine modern architecture, panoramic city views, and user-centric layouts. With high-speed lifts, dedicated access, and landscaped terraces, these offices foster productivity, collaboration, and growth. They're ideal for companies seeking a forward-thinking environment within the city's exclusive Special Economic Zone.
